Dated 27th January 1897
Camp Sankabennur

Sir,

On the road from the Sasalu Railway station to Chenna-giri, Sulekere and other places there is a big Village called Sankebennur in the Chennagiri Taluk at a distance of 9 miles from Sasalu. Numerous carts and travellers pass that way. For the use of the travellers there is a big Musafarkhana and there is a pond in front of it. Both the Musafarkhana and the pond have been built of wrought stone. They must have cost many thousands of rupees. They have both been very

substantially built. For want of a care-taker they are very dirty. The water of the pond is used not only by the travellers but also by the Villagers. I have, therefore, in anticipation of government sanction, appointed a care-taker from this day on a pay of 5 Rs per month. The amount may be met out of the district funds. Provision will be made for it in the Budget for 1897-98. And the pay for the remaining months of the current year may be met out of the general savings of the current year's Budget.

I have the honor to be,

Sir,

Your most obedient servant.

President of the district Fund Board.
